

BlackBelt™ Rugged Case with Integrated Smart Card Reader (CAC) for Surface™ Pro 9 with Intel

Part Number: K62539WW | UPC Code: 85896 62539 1

The ideal case to protect and secure your Surface Pro, its data, and your network.

Designed exclusively for Surface Pro, the BlackBelt™ Rugged Case for Surface Pro 9 with Intel is the ideal case for securing and protecting your Surface Pro, its data, and your network. It delivers a TAA-compliant CAC reader, military-grade protection, and next-level professional features for security, privacy, and productivity in a sleek, well-engineered design that lets you travel with fewer adapters and external accessories. The integrated CAC reader with read-only memory (ROM) supports class A, B, and C for secure access. A USB-C port allows for pass-through charging (up to 60W), data transfer (10Gbps), or DP Alt-Mode video. The HDMI® 2.0 port enables direct connectivity to external monitors (up to Dual 4K @ 60Hz). The case provides all port access, heat dissipation channels, a self-adjusting hand strap that allows the device to lie flat, a stretch band to secure and protect your Type Cover or Signature keyboard, a removable Surface Pen holder (Surface Pen not included), full access to the Surface Pro kickstand, and cable lock and privacy screen compatibility. The BlackBelt™ Rugged Case has dedicated support and a professional 2-year limited warranty.

BlackBelt™ Rugged Case with Integrated Smart Card Reader (CAC) for Surface™ Pro 9 with Intel

Part Number: K62539WW | UPC Code: 85896 62539 1

Designed Exclusively for Surface Pro

Built in collaboration with Microsoft for high quality, form, fit, and function.

Integrated Smart Card Reader (CAC) with Read-Only Memory (ROM)

Ready for use in government institutions and other organizations that require secure CAC solutions.

Military-Grade Protection

Meets military standards for drop testing and wipe down protection.

Expansion Ports and Pass-Through Power

Provides USB-C port with passthrough power, an HDMI® port that supports Dual 4K, and unhindered access to all other Surface Pro ports.

Next-Level Functionality

Professional features protect your device, keep you productive, and maximize the flexibility of your Surface Pro.

Smart Design Engineered with Precision

Easy to use and store when traveling. Engineered to ensure easy access to all Surface Pro ports and protect against overheating.

Cable Lock and Privacy Screen Compatible

Can be secured with a Kensington® keyed or combination lock while the privacy screen protects onscreen information from prying eyes.

Professional Warranty and Support

A brand you can trust.
