

## MICROSOFT PKI SERVICES CERTIFICATE SUBSCRIBER AGREEMENT

PLEASE READ THIS CERTIFICATE SUBSCRIBER AGREEMENT (“AGREEMENT”) CAREFULLY BEFORE APPLYING FOR, ACCEPTING, OR USING THE INITIAL OR RENEWED MICROSOFT PKI SERVICES CERTIFICATE ISSUED TO YOU. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, DO NOT APPLY FOR, ACCEPT, OR USE THE CERTIFICATE. BY ACCEPTING OR USING A CERTIFICATE, YOU AGREE TO BECOME PARTY TO, AND BE BOUND BY, THESE TERMS.

In addition to this Agreement, please ensure you have read and understand the Microsoft Certificate Policy and the Certification Practice Statement, both of which are available at <https://www.microsoft.com/pkiops/docs/repository.htm>, because they also apply to your use of Microsoft PKI Services-issued digital certificates.

The terms and conditions set out in this Agreement govern the relationship between Microsoft Corporation (“Microsoft”) and the party receiving the Digital Certificate (“you”, “You”, or “Subscriber”). If the Certificate Authority (“CA”) accepts your Certificate Application, then this Agreement binds you, the Subscriber of the Certificate, and the Certificate Authority into a legal-binding contract governing your use of the Certificate. If you have questions about this Agreement, please contact [certificateauthority@microsoft.com](mailto:certificateauthority@microsoft.com).

1. **TERM.** This Agreement shall remain in effect until your Certificate has expired or is earlier revoked.
2. **DEFINITIONS.** The definitions contained in the Microsoft PKI Services Certification Practice Statement (“CPS”) Definitions section 1.6 (available in the Repository located at <https://www.microsoft.com/pkiops/docs/repository.htm>) shall apply to this Agreement.
3. **USE AND RESTRICTIONS.** You agree to:
  - (a) abide by the terms of this Agreement, the applicable CPS, and associated policies that are published in the Repository;
  - (b) not deploy the Certificate for use in control equipment in circumstances requiring fail-safe performance or where failure could lead directly to death, personal injury or severe environmental damage, such as the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control systems, or weapons control systems or as control equipment for hazardous uses;
  - (c) protect the access to a private key and any credentials that allow for use of it;
  - (d) not monitor, interfere with, or reverse engineer the technical implementation of the systems;
  - (e) only use an issued Certificate for its authorized and legal purposes, consistent with this Agreement; and
  - (f) be an end-user Subscriber and not a CA, and therefore not use the private key corresponding to any public key listed in the Certificate for purposes of digitally signing any Certificate (or any other format of a certificate public key) or CRL, as a CA or otherwise.
4. **REPORTING OBLIGATIONS.** If you discover or have reason to believe there has been a compromise of your private key, or the information within your Certificate is or has become incorrect or inaccurate, or if your organization name and/or domain name registration as changed, you must immediately cease using the Certificate and its associated private key, and you must promptly contact Microsoft to request revoking the Certificate by sending an email to [certificateauthority@microsoft.com](mailto:certificateauthority@microsoft.com). If we discover or have reason to believe that there has been a compromise of the private key or misuse of a Certificate issued hereunder, we may provide you with notice of such suspected compromise or misuse and you, following receipt of such notice, must respond to our instructions within the time specified by us.

5. **REVOCATION OR EXPIRATION.** Microsoft retains the right to revoke your Certificate at any time without notice if: (i) Microsoft discovers information within your Certificate is no longer valid; (ii) you violate or fail to perform your obligations under the terms of this Agreement or any license agreement applicable to the Certificate, including non-payment of fees payable by you in connection with such Certificate; (iii) Microsoft determines in its sole discretion that the continued use of your Certificate may compromise the security or integrity of the PKI or may infringe upon a third party's intellectual property rights; or (iv) for any other reason identified in the CPS. Upon expiration or notice of revocation of your Certificate you must promptly remove your Certificate from all devices on which it is installed and not use the Certificate for any purpose thereafter.
6. **SECURITY.** You will not, and have no right to, monitor, interfere with, or reverse engineer the Microsoft PKI, or any Certificates or other information in or provided through it, or otherwise intentionally compromise the security of the Microsoft PKI (except to the extent expressly permitted by applicable law despite this limitation or otherwise on Microsoft's express, prior, written approval in each case). If you are using a Certificate on more than one physical server or device at a time, you acknowledge and agree that such use can result in increased security risks to your network and we expressly disclaim any liability for breaches of security that result from the distribution of a single key across multiple devices.
7. **PRIVACY.** Your privacy is important to us. Please read the Microsoft Privacy Statement (the "**Privacy Statement**") located at <https://privacy.microsoft.com/en-us/privacystatement>, as it describes the types of data we collect from you and your devices ("**Data**") and how we use your Data. By using the Certificate or agreeing to these Terms, you consent to Microsoft's collection, use and disclosure of Your Content and Data as described in the Privacy Statement. The CA will treat and process the data provided in your Certificate application in accordance with the privacy/confidentiality provisions of the applicable CPS. You agree and consent that the CA may: (a) place in your Certificate certain information provided, such as your name and e-mail address; (b) publish your Certificate and its status in the CA repository and other third-party sites for the purposes set out in the applicable CPS; and (c) process and/or transfer the aforementioned information in the United States and in other jurisdictions where the CA maintains a presence.
8. **WARRANTIES.**
  - (a) **Your Representations and Warranties:** In addition to the representations and warranties in the CP and CPS, you represent and warrant to us and, as applicable, Relying Parties that:
    - (i) all information provided to Microsoft CAs is complete, accurate, and up to date, and you will not install or use a Certificate until after you have reviewed and verified the accuracy of the data included in the Certificate;
    - (ii) you will inform the CA or its authorized representative, and promptly cease using and request revocation, if the information contained in your Certificate changes, becomes misleading or inaccurate, or is no longer valid;
    - (iii) the information you provide does not infringe on the intellectual property rights of any third party and has not been used for any unlawful purpose;
    - (iv) you will use your Certificate exclusively for authorized and legal purposes, consistent with the CPS and applicable laws and in accordance with this Agreement and any applicable standards as an end user;
    - (v) you will not use or authorize anyone to use the private key or the credentials associated with your Certificate for signing any other certificates or CRL;
    - (vi) you will ensure that you, or someone explicitly authorized by you, have been and remain the only person(s) in possession of your Certificate's private key and all materials and information protecting your Private Key, and no unauthorized person has had or will have access to such materials and information; and

- (vii) you acknowledge that the above warranties are for the benefit of Microsoft and Relying Parties.
- (b) **DISCLAIMER OF WARRANTIES.** EXCEPT AS SET FORTH IN THE CPS AND IN 8(c), THE CERTIFICATE SERVICES IN CONNECTION WITH THIS AGREEMENT ARE PROVIDED “AS IS.” WE AND OUR AFFILIATES AND LICENSORS MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE REGARDING THE CERTIFICATE SERVICES, INCLUDING ANY WARRANTY THAT THE CERTIFICATE SERVICES WILL BE UNINTERRUPTED, ERROR FREE OR FREE OF HARMFUL COMPONENTS, OR THAT ANY CONTENT WILL BE SECURE OR NOT OTHERWISE LOST OR DAMAGED. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, MICROSOFT DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, QUALITY, ACCURACY, TITLE, NONINFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. MICROSOFT MAKES NO WARRANTY AGAINST INTERFERENCE WITH THE ENJOYMENT OF THE SOFTWARE OR AGAINST INFRINGEMENT, AND NO WARRANTY THAT THE SOFTWARE OR MICROSOFT’S EFFORTS WILL FULFILL ANY OF THE SUBSCRIBER’S PARTICULAR PURPOSES OR NEEDS.
- (c) **EV Certificate Warranties.** Microsoft warrants to Relying Parties who actually rely on a EV Certificate during the period when it is Valid that it followed the requirements of Guidelines For The Issuance And Management Of Extended Validation Certificates (“EV Guidelines”) from the Certification Authority Browser Forum (CAB Forum) at <https://cabforum.org>. Expressly excluded are situations where Microsoft has complied with the EV Guidelines even though it is later discovered that the information contained in the EV Certificate is erroneous (e.g., where Microsoft has relied on erroneous information provided in an attorney’s opinion or accountant’s letter that has been checked by Microsoft in accordance with the EV Guidelines). In cases where Microsoft has issued and managed the EV Certificate in compliance with the EV Guidelines and the CPS, Microsoft shall not be liable to the EV Certificate Subscriber, Relying Parties or any other third parties for any losses suffered as a result of use or reliance on such EV Certificate.

FURTHER, NEITHER WE NOR ANY OF OUR AFFILIATES OR LICENSORS WILL BE RESPONSIBLE FOR ANY COMPENSATION, REIMBURSEMENT, OR DAMAGES ARISING IN CONNECTION WITH: (A) YOUR INABILITY TO USE A CERTIFICATE, INCLUDING AS A RESULT OF (I) ANY TERMINATION OR SUSPENSION OF THIS AGREEMENT OR THE CPS OR REVOCATION OF A CERTIFICATE, (II) OUR DISCONTINUATION OF ANY OR ALL SERVICE OFFERINGS IN CONNECTION WITH THIS AGREEMENT, OR, (III) ANY DOWNTIME OF ALL OR A PORTION OF CERTIFICATE SERVICES FOR ANY REASON, INCLUDING AS A RESULT OF POWER OUTAGES, SYSTEM FAILURES OR OTHER INTERRUPTIONS; (B) THE COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; (C) ANY INVESTMENTS, EXPENDITURES, OR COMMITMENTS BY YOU IN CONNECTION WITH THIS AGREEMENT OR YOUR USE OF OR ACCESS TO MICROSOFT’S CERTIFICATE SERVICES; OR (D) ANY UNAUTHORIZED ACCESS TO, ALTERATION OF, OR THE DELETION, DESTRUCTION, DAMAGE, LOSS OR FAILURE TO STORE ANY OF YOUR CONTENT OR OTHER DATA.
